The Honorable Edward G. Rendell

We would like to express our sincere thanks for your commitment to the Arts in Pennsylvania. We are encouraged to hear that the budget negotiations between the Governor and the Pennsylvania General Assembly will result in \$14 million being available for art grants in your budget for the next fiscal year.

We are in our 38th year and a well-established Arts Council because, in part, because of your support through the years. Our mission is to stimulate interest in and awareness of all art forms and to provide performance and productions of artistic and cultural value for children, youth and adults in our community of Corry, Pennsylvania.

We can't do this alone but with your help we will continue to bring top quality arts to our community.

Thanks for being an advocate for the Arts in Pennsylvania,

Norma R. Lloyd,
