

Save the Arts in Pennsylvania

We are facing a disaster in state support for the arts. Your immediate efforts are needed.

Senate Bill 850, which eliminates ALL funding for the arts and the Pennsylvania Council on the Arts, is back and will be considered next week.

The Arts need your help!

**Arts Rally at the Capitol
Tuesday, July 14 at 11 am
Rotunda of the Main Capitol
Harrisburg, PA**

Your presence will make a powerful statement of support for the arts. If you can't make it to Harrisburg, let your Pennsylvania State Senators and Representatives know that culture counts. **Don't let our arts disappear. Act now!**

In the State of Pennsylvania the Arts and Culture Sector

- ◇ Generates \$1.99 billion in economic activity
- ◇ Supports 61,985 full-time equivalent jobs
- ◇ Generates \$1.23 billion in household income to state residents
- ◇ Generates \$282.98 million in state revenue
