

BUILDING STRONGER COMMUNITIES TAKES CREATIVITY

A state is only as strong and competitive as its communities.

- Communities compete for residents, a talented workforce, and investment.
- A robust creative sector is a competitive differentiator for Pennsylvania communities.

When looking to capture attention, the quality of place makes a difference.

- Thriving arts and culture activities and amenities are natural attractors for visitors, residents, investment, and to incentivize relocation of talent critical to a community's prosperity.
- The creative sector not only raises the visibility of communities but also adds more than \$28 billion to our economy and employing more than 165,000.

Did you know PA's creative sector employment numbers rank 7th in the nation?

- Creative sector assets are fundamental to prosperity, as many commonwealth communities—both rural and urban—face challenges related to business starts, population loss, and access to capital.
- The PCA is doing its part to connect PA communities with relevant tools and game-changing opportunities.
