

State Appropriation Comparison

Below you will find two charts representing the proposed 2022/23 Legislative Appropriation amounts and per capita spending for State Arts Agencies in Pennsylvania and states directly bordering Pennsylvania. You will note a significant discrepancy in both the percentage of General Fund appropriations to the state arts agency as well as per capita spending. In addition to the states cited below, both West Virginia (\$.87) and New York (\$5.38) have higher per capita spending.

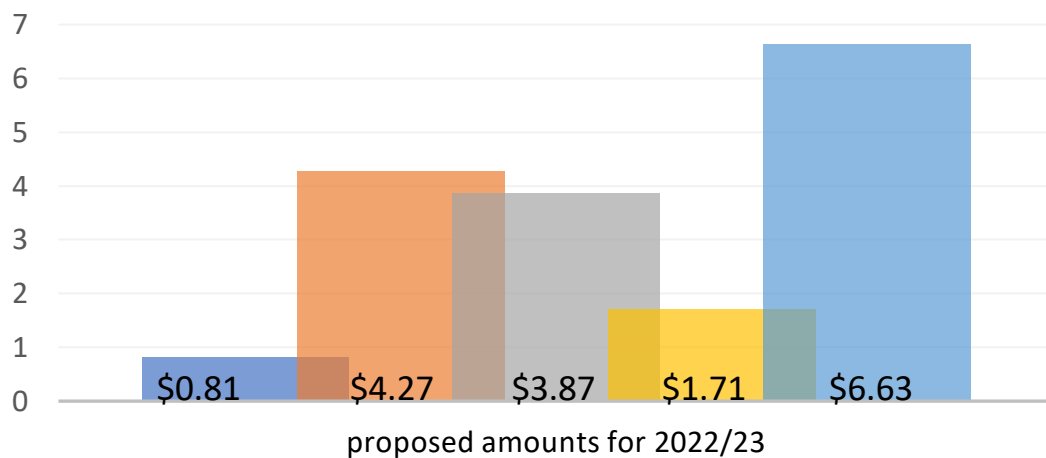

State Arts Agency Total % of General Fund

■ Pennsylvania ■ Maryland ■ Delaware ■ Ohio ■ New Jersey

Total Appropriations: \$10.54mil \$26.33mil \$3.88mil \$20.0mil \$61.46mil

PER CAPITA Spending on State Arts Agencies

■ Pennsylvania ■ Maryland ■ Delaware ■ Ohio ■ New Jersey

State Rank: 35th 9th 10th 17th 4th
